

BENVOLO MINING DIRECTORY

Global Mining Contact Directory is Live

How would 50,000+ Passive Mining Candidates help your business?

Attract Candidates from around the world

Do you want to approach 100's or even 1000's of candidates at the click of a button?

Have a look at the directory before you buy - we will show you the contents with some information missing.

We have created the single most important directory ever to be launched for the mining industry. The Global Mining Contact Directory contains over 50,000 professionals within the mining industry from around the world. More importantly you can contact all of them at the click of a button. The directory is available now.

Each contact in the directory is listed by:

Name

Job Title

Company

Sector

Email Address

Job Categories:

Literally a complete broad spectrum from PAs to VPs, Engineers to Superintendents, accountants to HR. If you are just looking for a few companies then we can also provide this data on a one off basis. Never again will you struggle to find the best talent in the mining industry. If you would like to discuss purchasing the directory or any data that may be of interest to you then please get in touch.

We are going to keep the directory very exclusive so once it has gone it has gone.
